ACCIDENT / EMERGENCY PROCEDURES:

1. Clear the risk of further harm to the injured person by securing the area.
2. Designate someone to be in charge of the other participants / horses.
3. Protect yourself (wears gloves if he/she is in contact with body fluids such as blood). A first aid kit is located by the announcer stand.
4. Assess ABCs (checks that airway is clear, breathing & pulse is present, and there is no major bleeding).
5. Do not move someone with a suspected neck or spine injury unless he/she is in immediate danger.
6. Call 9-1-1 if deemed necessary. Provide all necessary information to dispatch (e.g. facility location, nature of injury).
7. If injured person is unresponsive and not breathing, start CPR immediately. (chest compressions only, at a rate of 100-120/minute)
8. If available, delegate a person to wait by the driveway / entrance to the facility to direct the ambulance when it arrives.
9. Wait by the injured person until help arrives and the injured person is transported.
10. Fill in an accident report form located at the announcer stand.
