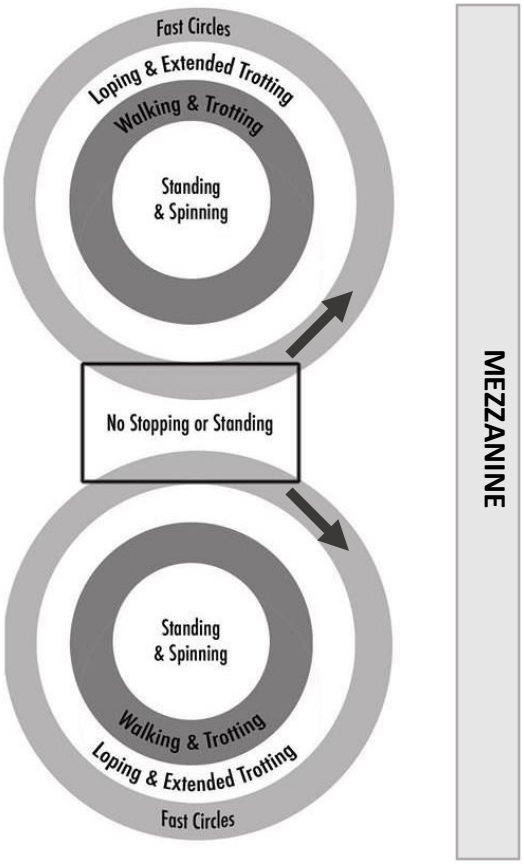
CREEKSIDE EQUINE

ARENA ETIQUETTE

This is a place of ENJOYMENT. We expect everyone to be positive, courteous and supportive at all times. If there is a problem or reason for concern, please communicate with either Bart or Julia, and we will do our best to resolve the issue.


1. Free running of horses is only allowed if no other riders are present. All gates MUST be securely closed.
2. Lunging of horses is allowed, but all other riders that are present need to be approached first to make sure they are ok with it.
3. LESSONS / CLINICS / EVENTS are all posted on the calendar with as much notice as possible and have precedence with respect to arena use at all times. If events are posted as "NO RIDE THROUGH", no other riders are permitted in that arena for the duration of the event. If events are posted as "RIDE THROUGH", event / lesson traffic has the right of way, which needs to be respected by all drop-in riders and boarders.
4. Always ride in control and be courteous of other riders around you. Foul language and/or derogatory comments to others are not tolerated.
5. When beginner riders are present, ride at their level to ensure their safety.
6. Clean up after your horse immediately, put away all gear and remove all manure. Do not overfill the wheelbarrows.
7. Animal abuse is not being tolerated.
8. BARREL RACERS: setting up barrels to practice is acceptable, but other riders present need to be approached first to ensure they are ok with it. Barrels need to be placed at least 10 ft off the markers.
9. During busy times, riders are asked to adhere to the following diagram to ensure everyone's safety while riding.
